Theatre Production by Students from St. Spyridonas Special Needs

School: On the 13th October a heart-warming play performed by the students of the St. Spyridonas School was enjoyed by former members of the Living Together Club. The play followed the adventures of six young children searching for their stolen voices through an evil witch's castle. Throughout their journey they find out about her darkest and most sinister plans and by the end of the play they teach her how to see the good in others and herself. It was a fairy tale come to life! I have personally felt excessive pride for having the opportunity to watch such a great performance by super talented and sweet children that have so many talents waiting to be discovered!

Our Students

On the 19th October, the school hosted its annual Sports Day where students could show off their skills in a variety of sport activities such as swimming, judo, shot put and futsal. Moreover, on that day the student members of the four different Houses Apollo, Demetra, Poseidon and Artemis chose their House Captains. We would like to congratulate, Christos Philippou and Anastasia Koudelli (Apollo), Theodoros Leivadiotis and Emili Michail (Demetra), Andreas Kyprianou and Demetra Pavlou (Poseidon), Ilia Kopeikin and Katerina Eleftheriou (Artemis) and wish them all the best.

Halloween bake sale:

On the 31st October the Year 6 students organized a Halloween-themed bake sale, and brought to school their yummiest and best decorated cakes! Younger students and teachers had the opportunity to purchase them during break time. Additionally students were encouraged to dress up for Halloween as it was a Mufty Day and a costume competition took place.

Coming soon:

1st of Nov: School Excursion

9th – 13th of Nov: Half Term

21st of Nov: Mid Semester Reports

29th of Nov: Parents – Teachers Meeting
