NOTES:

- 1. Our Year 1 corresponds to Year 7 of the UK educational system. Placement in the appropriate Year depends on the educational system a student comes from. The age and the academic performance are also taken into account.**
- 2. *¹ All Day School: In the Lower School (Years 1-3) the subjects taught are Mathematics, Science and English. In Years 2 and 3 each subject is taught two times a week. Science and English are taught at the same time thus students choose to follow one of them twice a week based on the school's recommendation. In Year 1 Mathematics is taught two times a week whereas Science and English are each taught once a week. Students may choose to follow only one subject once a week, i.e. Science or English. External Exams Support Lessons: In the Upper School (Years 4-6) most of the optional subjects are taught once a week. The school offers these external exams support lessons aimed at students who are either recommended for external exams by their teachers or ahead of the external exam registration period their teachers predict they will be recommended for external exams. The purpose of these lessons is exclusively to maximize student performance on the external exams. External Exams Support Lessons focus on the subject specific external exam technique, style, questions type and past papers.**
- 3. *² Accommodation in the boarding facility: The above fees are for 1 bed studio. The annual cost of 2 bed studio is €2,000 less than the cost of 1 bed studio (subject to availability). Alternatively, stay with a host family is possible and the above fees remain the same.**
- 4. *³ Accommodation/Meals/Laundry and cleaning during school holidays (Christmas, Easter, July and August): €400 per week or €1,700 per month.**
- 5. *⁴ Transportation during school holidays (Christmas, Easter, July and August): estimated around €300 per month.**
- 6. *⁵ External examinations fees: The fees for the external examinations depend on the subject/level/examinations body and are charged additionally.**
- 7. *⁶ Airport transfers/escort (unaccompanied minors) can be arranged by the school with taxi /transport companies cooperating with the school.**
- 8. Visiting students (short term stay/integration programme): Students thinking of attending the school can register for a trial period (1-3 months) and the fees are €2,900 per month for 1 bed studio in the boarding facility or €2,500 for a 2 bed studio. The fees cover the costs stated above as "included in the fees" except for some seasonal uniform items, books and stationery (used books are provided or some may be borrowed from the library), medical insurance (only Personal Accident and Public Liability insurance policies are included), visa fees and related expenses (only tourist visa is required), clubs fees and local school excursions fees.**
