The annual fee for homework support is €500 and for activities €500.
7. The fee for the external examinations depends on the subject/level/examination body and is charged separately.
8. School fees are reviewed annually.
9. School fees are not refundable under any circumstances as they guarantee (represent a deposit) a pupil's attendance at school for at least one school year. Hence, this is not simply an advance fee payment.
10. The inability to continue with school lessons, for whatever reason, does not exempt the parent/guardian from the obligation to pay the school fees for the whole academic year. Any balance of fees due upon the departure of a pupil from the school, irrespective of the date of departure, must be paid in full. In the event that fees of a pupil were paid in full and the pupil ceases to attend the school, no refund is applicable. The departure of any pupil in no way minimizes the school's running costs.
11. A Late Payment Penalty Fee of €50 per month applies if the payment is not made by the applicable instalment deadline.

- 12. The school has the right to withdraw scholarships, monetary prizes or discounts in case the fees are not paid by the applicable instalment deadline.**
- 13. The Teachers Council has the right to withdraw scholarships, monetary prizes or discounts in case of serious disciplinary incident or disciplinary infringement.**
- 14. For those pupils whose fees are met partially or in total by the Government (such as Maronites, Armenians, Latins, repatriated Cypriots, Turkish Cypriots and so on), it is the obligation of their parents/guardians to settle the school fees according to the applicable deadlines irrespective of when they are credited by the Government.**
- 15. Progress Reports, Apolytiria and any other school documents, certificates or confirmations, will not be issued unless due fees or any other financial obligations to the school have been settled or a payment method or settlement or arrangement or any other form of financial compromise has been agreed between the school and the parent/guardian.**
- 16. Enrolment in the subsequent school year will be accepted only once the due fees and other financial obligations have been settled.**
