- **First payment:** €3,000 down payment on application (continuing pupils need to reserve their places for the upcoming academic year by 31st of January)
- **Second payment:** 50% of the fees (upon deducting the €3,000 down payment) plus the damages refundable deposit of €300 prior to arrival. The Entry Permit is sent once the second payment is settled. Continuing pupils need to pay the second payment by 30th of June).
- **Third payment:** 50% of the fees (upon deducting the €3,000 down payment) by 1st of December
- If the fees are paid in full until 30 April 2023 then a discount of €1,000 applies
- Fees can be paid via bank transfer, debit/credit card or JCC Smart
- When transferring money it is important to clearly indicate the pupil's name and surname

NOTES:

- Our Year 1 corresponds to Year 7 of the UK educational system. Placement in the appropriate Year depends on the educational system a pupil comes from. The age and the academic performance are also taken into account.
- *¹ All Day School: In Years 1-3 the subjects taught are Mathematics, Science and English. Mathematics is taught two times a week whereas Science and English are each taught once a week. Pupils may choose to follow only one subject once a week, i.e. Science or English.
External Examinations Support Lessons: In Years 4-6 most of the major elective subjects are taught once a week. The school offers these external examinations support lessons aimed at pupils who are either recommended for external examinations by their teachers or ahead of the external examination registration period their teachers predict they will be recommended for external examinations. The purpose of these lessons is exclusively to maximize pupil performance on the external examinations. External Examinations Support Lessons focus on the subject specific external examination technique, style, questions type and past papers.
Additional major elective subject: In Years 4-6 pupils have the option of choosing an extra major elective subject, such as French or Biology as part of triple science (Physics, Chemistry, Biology).
- *² Accommodation in the boarding facility: The above fees are for a 2 bed studio. The annual cost of 1 bed studio is €15,000 more than the cost of 2 bed studio (subject to availability). Pupils can check-in as of 1st of September and they must check-out in June a few days after their school/external examinations finish or right after their graduation ceremony.
Alternatively, stay with a host family is possible.
- *³ Meals (full board): some special dietary requirements may require additional payment.
- *⁴ Medical Insurance: New pupils are not covered during the first 30 days with the exception of life-threatening incidents.
- *⁵ Accommodation/Meals/Laundry and cleaning during school holidays (Christmas, Easter, July and August): €80 per night.
- *⁶ External examinations fees: The fees for the external examinations depend on the subject/level/examinations body and are charged additionally.
- *⁷ Airport transfers with or without escort for unaccompanied minors can be arranged by the school with taxi/transport companies cooperating with the school. The cost specified is an indication and is applicable to Larnaka International Airport.
- Visiting pupils (short term stay/integration programme): Pupils thinking of joining the school can register for a trial period (from 1 week up to 3 months) and the fees are €900 per week for 1 bed studio (subject to availability) or €600 for a 2 bed studio in the boarding facility. The fees cover the costs stated above as "included in the fees" except for some seasonal uniform items, books (used books are provided or some may be borrowed from the library), medical insurance (only Personal Accident and Public Liability insurance policies are included), visa fees and related expenses (only tourist visa is required), clubs fees and local school excursions fees.

- Fees are non-refundable. Once enrolled, the pupil/parent/guardian is liable for the payment of the full fees for that academic year.
- The above stated fees are reviewed annually.
